(over his face) That's what I do. I don't link them in Church, they can lead a saintly life again, you see? The church has very important things going on because we have found proof of what I believe, to that it gives me a pretty good spiritual progress. When church people say "When not allowed," to O suspicious unless you have that church some, Christ, high proof, and these people are in hundreds start people lie running about secret this of course, and say they had lied, have a definite article, they then even crusade especially when the article by, Holy veal Suzuki. received they a letter, to uh, lie a couple even of things that cannot call was that not spiritual progress. **\*\*Father Hesse:\*\*** Well, my friend, I don't know if you've seen the book by Melchior Marchetti Is of the Fatima, Russia? It's not exactly what he supposed to do. He said it was a secret of the Vatican, but it's not. In fact, it's a spiritual progress together. When the s- when the churchâ€ O put it this way. Not the church of Christ, not t but when these people in Rome start to lie about Secret of Fatima, and they did lie, most definitely, in the Fatima Crusader, especially in the article by, Andy Suzanek. If they start to lie about even thing I canâ€™t call that spiritual progress. So weâ€™ve g speaking, mind you. The Holy Spirit, when I say h I cannot tell the Holy Spirit what to do. I cann to do. Humanly speaking, we are finished.

**Father:** Yes. So Our Lady does not know the sheâ€™s told. Our Lady knew exactly when first, the would finish. She knew exactly under which pope, and him, Pius XI, the Second World War would break exactly that Russia would spread her errors. John XX great help in that point. She knew exactly that, uh consecrate Russia to the Immaculate Heart because she â€™Eventually the pope is going to do it, but it also knew that Russia was going to be the instrument chastisement and that entire nations would be annihilated. This is exactly what the European Union, by the way, is doing. And she knew nothing about Vatican II? Whoâ€™s going to do it? She knew about those, uh, 55 or 60 million people who died in World War II, and she knew nothing about one billion people being deprived of the truth by what is going on today. She didnâ€™t know about that? That is impossible. It is impossible. She was told the future in order to save the world. Fatima. She was told the future beyond 1965, beyond the 21st century, as a matter of fact, because she said, â€™I am consecrated to the, to my immaculate heart, but it hasnâ€™t been done yet.â€™ So, she referred to an event that was definitely going to take place in the 21st century. And she knew nothing about Vatican II, the most revolutionary council in history. If, if it was a council, which I deny? She didnâ€™t know about that. That is perfectly impossible. The Third Secret must, is bound to contain the crisis of the faith.

interviewer: Hesse: "My mother told me that when she was a child, she was told that the Pope would come back and that the world would be saved. She knew (foreignly language) which (foreign language) she knew. She knew that the Second World War would break out and that Russia would spread her errors. John XXIII gave her a great help in that point. It is exactly what the European Union, by the way, is doing. And she knew nothing about Vatican II? Whoa! She knew about those, uh, 55 or 60 million people who were killed in World War II, and she knew nothing about one billion people being deprived of the truth by what is going on today. She didn't know about that? That is impossible. It is impossible. She was told the future in order to save Fatima.
