****Father Hesse:**** Yes. So Our Lady does not know the sheâ€™s told. Our Lady knew exactly when first, the would finish. She knew exactly under which pope, and him, Pius XI, the Second World War would break exactly that Russia would spread her errors. John XX great help in that point. She knew exactly that, uh consecrate Russia to the Immaculate Heart because she â€œEventually the pope is going to do it, but it also knew that Russia was going to be the instrument chastisement and that entire nations would be annihilated. This is exactly what the European Union, by the way, is doing. And she knew nothing about Vatican II? Whoâ€™s going to do it? She knew about those, uh, 55 or 60 million people who died in World War II, and she knew nothing about one billion people being deprived of the truth by what is going on today. She didnâ€™t know about that? That is impossible. It is impossible. She was told the future in order to prepare for Fatima. She was told the future beyond 1965, beyond the 21st century, as a matter of fact, because she said, â€œI am consecrated to the, to my immaculate heart, but it hasnâ€™t been done yet.â€ So, she referred to an event that was definitely going to take place in the 21st century. And she knew nothing about Vatican II, the most revolutionary council in history. If, if it was a council, which I deny? She didnâ€™t know about that. That is perfectly impossible.
