Look, v them, why would the lodges be stupid enough to a the lodge if they do anyway what they want? The today and the usual bishop today is nothing else b idiot Lenin mentions so often in his work. The use the faithful idiot. He's the useful idiot. And so need their membership. As a matter of fact, just b confronted with this so-called list of 120 Masons in That list is a fraud. The authentic list came out it was, and contained 14 or 16 names, which I on while I was in Rome, and I found that thos those 16 I could prove they were Masons, or it that they were Masons. And then a year after that out with a list of 120 persons who supposedly belo Masonic lodges. Yeah, except that of those 120 person least seven who are definitely not Masons. One of bishop who ordained me, and who is one of the bishops I've ever met. He's Novus Ordo because idiot, but it's not his fault. But he's an ex a holy person.
